Wisconsin Law Journal Names Eisenmann and Vercauteren to 2018 'Up and Coming' List

The Wisconsin Law Journal has named Husch Blackwell's Erik Eisenmann and Jeff Vercauteren to its 2018 Up and Coming Lawyers list. The award series recognizes attorneys who "represent determination in legal work, in community betterment and in improving their own law firms."

Based in Milwaukee, Eisenmann is a partner in, and Vice Chair of, the firm's Labor & Employment practice. He focuses on labor and employment issues, helping employers of all sizes draft and enforce employment contracts, restrictive covenants and other workplace agreements. A member of the firm's Financial Services & Capital Markets industry group, Eisenmann received his J.D. with high honors from the George Washington University Law School.

A partner in the firm's Real Estate, Development & Construction industry group, Vercauteren is based in the firm's Madison office. He represents clients in all aspects of real estate project development, including contract drafting and negotiation, due diligence review, title and survey issues, permitting, financing, development incentives and tax credits, and leasing. Vercauteren received his J.D. *cum laude* from the University of Notre Dame Law School.

An event honoring the 2018 Up and Coming Lawyers will be held Thursday, September 13, 2018 at the Discovery World Pilot House in Milwaukee.
