Husch Blackwell Named Among Top 50 Construction Law Firms by *Construction Executive Magazine*

Construction Executive magazine has recognized Husch Blackwell in its inaugural Top 50 Construction Law Firms rankings. Overall, Husch Blackwell placed 27th on the CE Top 50; by headcount of dedicated construction lawyers, the firm was tied for 12th.

Construction Executive developed The Top 50 Construction Law Firms ranking by asking hundreds of U.S. construction law firms to complete a survey measuring headcount, construction practice-derived revenue, the percentage of firm's total revenues derived from its construction practice, the number of states in which the firm is licensed to practice, and the year in which the construction practice was established. The ranking was determined by an algorithm that weighted the aforementioned factors in descending order of importance.
