Beau Jackson Named to 2021 Class of Leadership Kansas

Husch Blackwell is pleased to announce that partner Beau Jackson has been chosen to join the 2021 class of Leadership Kansas.

A member of the firm's Technology, Manufacturing & Transportation group, Jackson focuses his practice on international trade and intellectual property disputes. He provides broad counsel on global trade matters and leads Husch Blackwell's Section 337 practice. Jackson earned his J.D. from the University of Kansas School of Law and his B.A. with distinction from the University of Kansas.

Leadership Kansas is a nationally recognized program of the Kansas Chamber of Commerce, focused on developing and motivating Kansas leaders from across the state. Jackson joins 41 other Kansas professionals in the 2021 class, which was selected from approximately 600 nominees. Throughout the six-month program, which begins in April, the class will interact with a variety of experts and community leaders through three-day educational training sessions. The diverse discussion topics include business, education, agriculture, public policy, societal health, economic development, and government.
