## Five Husch Blackwell Attorneys Named to Thomson Reuters' 2022 Mid-South Super Lawyers® and Rising Stars

Thomson Reuters' Mid-South Super Lawyers® and Rising Stars 2022 has recognized five Husch Blackwell attorneys from the firm's Chattanooga office.

Office Managing Partner Michael Alston was named to the Super Lawyers list for the second year in a row.

In addition, the following Chattanooga attorneys were named to the 2022 Rising Stars list:

K. Chris Collins

Andrew Hodgson

Caleb Holzaepfel

Patrick Shockey

Earlier this year, Thomson Reuters named partner Ronald Feldman a 2022 Stand-Out Lawyer. Those recognized is a result of interviews and surveys of more than 2,500 senior legal decision makers around the world each year. Participants are asked to name the three most exemplary outside counsel with whom they had worked, and to describe the particular characteristics that qualified these individuals to be outstanding, or "star lawyers."

Covering more than 70 practice areas, Super Lawyers® is a directory of lawyers who have attained a high degree of peer recognition and professional achievement. Only five percent of attorneys are selected to the Super Lawyers list and two and a half percent are selected to the Rising Stars list in each state.

## HUSCH BLACKWELL

The annual selection process includes a statewide survey of lawyers, independent research of candidates and peer reviews by practice area. The Rising Star category is for attorneys who are under 40 years old or who have fewer than ten years of legal experience.
